

## SUPPLIES

We know shopping for school supplies is stressful. For most items, we do not care about the brand unless in **bold**. Many items do not have a size so we appreciate your donation of what you can afford. Your donation of school supplies help us keep our costs down. Thank you so much for your generosity to MCP.

Please bring supplies to registration. There is no need to mark your child's name on these items. Your child will also need a tote or backpack. Please make sure that your choice is big enough for all those beautiful paintings that will come home! Please put your child's name on their backpack.

Because of limited space in our classroom, we ask all supplies be brought at registration **EXCEPT PAPER TOWELS**. Please check when your class is scheduled to bring paper towels. Thank you.

We are working with Open Arms Food Pantry to get educational materials and activities to children in need. If you would like to donate school supplies we need 5" children's scissors, markers, crayons and glue. Thanks you so much for supporting this program.
